Deadline 30th June 2023

Dissertation Sponsorship Award

With the popularity of Aberdeen-Angus beef growing year-on-year, The Society continues to promote Aberdeen-Angus as the breed of choice throughout the supply chain, from inside the farm gate to the dinner plate. The Society wants to work with students to obtain valuable research that will help members produce beef fit for the future.

Thank you for applying for the Aberdeen-Angus Cattle Society dissertation sponsorship award. If you're an undergraduate student who is looking to research on of the below areas for your dissertation, please apply below.

linked to the following topics:

- Meat eating quality
- Environmental benefits of beef production
- Performance of the Aberdeen-Angus breed e.g. growth rates, maternal ability
- Sustainability of beef production
- Awareness/perception of beef brands in supermarkets
- Producing beef with the consumer in mind
