email at chair@halifaxshow.org.uk

Entries accepted up to and on the day

Key Rules and Undertakings

1. Exhibitors must have Public Liability Insurance.
2. The recording of movements to the show is the responsibility of the exhibitor.
3. Bulls must be handled in accordance with HSE Guidance – Notes GS36 ‘safe custody of bulls at agricultural shows’ e.g. – all bulls to have two handlers. All bulls over the age of 10 months to be ringed or led by bulldogs.
4. Straw, electricity points, water and milking facilities will be provided.
5. Cattle may arrive the day before after 5pm.
6. Cattle to be on the show ground by **9.00am** on the day of show and cannot leave the show ground until **after the Grand Parade**.
7. Cattle must be tethered at the Societies standing.
8. The Society reserves the right to **Create** or **Amalgamate** classes depending on entries.
9. Prize money shall be allocated as follows: **1st - £30, 2nd - £20, 3rd - £15**
10. Any breed class with six or more entries will have an additional prize of **4th - £10** awarded.
11. Prize money for Young Handlers classes will be allocated as follows: **1st - £15, 2nd - £10, 3rd - £5**
12. Champions, reserve champions and 1st prize winners in all cattle sections **will be required** to take part in the grand parade where trophies will be presented, all prize winners are invited to take part if they wish.

Breed Specific Rules

Commercial Beef

1. The cross must be given on the entry form (name of breed sired first). If a Pure Bred animal is entered in this section, it must not be entered into any other classes i.e. its respective breed section.
2. An animal may not be entered into more than one class, with the exception of the Pairs class, open to all cattle irrespective of breed.
3. All animals must be double tagged. These will be checked at the show against the entry form.
4. Bullocks must be castrated to the satisfaction of the stewards.
5. Heifers must be guaranteed free of calf.
6. If the conditions of entry are not upheld, the prize money will be forfeited.
7. In the event of any dispute the decision of the Cattle Secretary shall be final.

Breed Championship Rules

Championships are open to all first placed exhibits in the breed's classes. Then once the Champion has been determined, the second place exhibit from the Champions' class may enter the ring, to determine Reserve Champion.

Halifax Agricultural Society - Cattle Section

Last year we had a great day, with 115 head of cattle. It was also good to see so many new exhibitors to the Halifax Show. We appreciate the support and enjoy meeting you all!

Once again we will be having a 450ft marquee as it offers more space between the lines of cattle. This will provide comfort and shelter no matter the weather.

We are able to offer incredible prize money in all cattle classes. There will also be ample provision of straw, water, electric and milking facilities for the dairy section. Due to popular demand, we will again be having tea and cakes in the secretary's tent for the exhibitors, and a jet wash and water tub for the cattle.

We are always keeping our eyes open for new ways to improve our layout, classes and competitions. We take great delight in putting together such show spectacles as the Baby Beef classes and the Pairs class, where we encourage exhibitors to work together. We then try our best to educate the public and make them feel part of the show. This keeps them hooked to the side of our cattle rings all day.

We are proud of The Halifax Agricultural Show and the work that we do and take great pleasure in providing such a wonderful experience for both the exhibitors and the public. So come and join us to make this year even better than last!

Looking forward to seeing you there.

Reserve - £50

Edward Fairbank Contract Spraying

Serving Calderdale and surrounding areas

Tel: 07775 667436

Email: edwardfairbank@hotmail.co.uk

For many livestock farms, owning, maintaining and operating a sprayer, and complying with increasingly demanding legislation, is becoming difficult and expensive.

Choosing a local contract spraying service is likely to be the most cost effective and practical way of maintaining your grassland and managing weeds.

The benefits of using my services to your farm:

Cost effective – Using a contractor that operates calibrated, sensibly sized, but capable mounted sprayers, with GPS guidance, means that your business can benefit from cost savings achieved from higher output in reduced time (more acres covered per hour), minimised over/underlapping and spot-spraying capability meaning less time, fuel and chemical is wasted. Knapsack spraying around middens, yards, embankments is also offered.

Comply with legislation – Fully licenced and insured service, with spraying records provided. No need to store pesticides on your farm, and cover the costs of maintaining your own sprayer to keep it in safe, working order to pass new mandatory NSTS annual testing. No need to obtain a licence to buy and use pesticides, and less to worry about for farm audits.

Practical advice – Pre spraying field assessment, with a qualified agronomist where required. Spraying the right product, at the right time, in the right way for best results, and staying safe and legal. If preferred, pesticides can be supplied, and at competitive rates. Please get in touch to discuss your pesticide application requirements.

PA1, PA2A, PA6, PA4S & PA4G certified, NRoSO member. Fully insured, professional, cost effective service.

Other Services include; Hedge and verge trimming and Reversible Ploughing.
